Hymn Sing Sunday!

Voting has been going on for this year's Hymn Sing Sunday. It's not too late to vote for your selections. Please turn your votes in by Sunday, July 7th, and then join us the following Sunday as we sing the winning selections!

Pastor's Portion

Timber cutters of past generations knew from experience that before they went into the forest the most important thing they needed to do was to sharpen their axe. Without a sharpened axe, the tree cutting could take twice, maybe three or four times as long to fell the tree.

For the last two generations our denomination has taken a valuable lesson from the lumberman's advice to sharpen the axe first. During this time, many of our churches have taken the time to sharpen our focus upon what God would have us to be doing in the future of our mission and ministry. Even though it takes a couple of months, more or less, to do this study, the Pastor Nominating Committee (PNC) usually has a lot better success in attracting the next ministerial candidates. The church's Session drives the process up to and until we have a PNC.

On Sunday, June 30th, our church's Session meets for the first time since Dot and I arrived. This is to plan our direction for the study and process for getting a PNC. After this next Sunday, we can tell you more about when we start what we call the "Mission Study" (our total look in ministry) and when we will have a PNC in place. It has been my experience that it is best to ask all, who attend worship on Sundays to participate in the "Mission Study" so that we can impart the very best sense of the congregation to pastors, who will be interested in learning more about us.

As soon as we are able to get a nomination process in place (Session), you will be presented with a slate of nominees to serve on the PNC at a called Congregational Meeting. The PNC will then assist in the continuance of the "Mission Study" and begin assimilating the information that has come from the "Mission Study", which came from you. The PNC, once they have a completed "Ministry Information Form" (MIF), will send the MIF to the Presbyterian headquarters where our information and preferences will be matched with candidates for a call, possibly ones interested in our church. They can also, accept self-referrals.

This seems to be a bit laborious task in one way, but it is an exciting time in another. It is a time that children, youth and adults can have their say. If you have ever said that you wish that someone would listen to you. Everyone has that chance and who knows, your words just might wind up in the introduction portion that tells pastoral candidates who we are as a people.

Jesus cautions us in Luke 9:62, when putting ones hands on the plow handles to not look back, but to keep the focus on where the plow is going.

The Peace of Christ,
Pastor Mike

The Adult Sunday School class is presently studying a book recommended by our national body in the Presbyterian Church entitled: *Neighborhood Church: Transforming Your Congregation into A Powerhouse for Mission*. For three more Sundays, we will discuss how this book gives our congregation inspiration and new ideas for sustaining our ministry beyond our times today. This book is valuable for giving added flavor to the PNC in their work in the future.

Watch for a survey where you can tell the Adult Education Committee your wishes for Sunday School and studies during the week.

HYMNS AND THE JOY OF SINGING

On July 14th all of God's children will be making "a joyful noise" at Franklin Presbyterian as we sing the hymns that are the most meaningful to YOU! What a special day and what a special opportunity to worship God!

Our hymns, if we let them, will take us to another place—a place where each of us can openly express what can not be put into words alone: LOVE [Though I May Speak]; JOY [Joy to the World]; REVERENCE [How Great Thou Art]; HOPE [My Hope is Built on Nothing Less]; SORROW [Beneath the Cross of Jesus]; FAITH [My Shepherd Will Supply My Need], to name a few—and the lists go on and on. What a wonderful treasure we have! Hymns have the power to signal the beginning and ending of life, to comfort the grieving, to melt hardened hearts, and fill the soul with joy. They connect people over space and time, define who we are as Christians, teach us the truths we find in scripture, and simply, make our world a better place. We should never sing them casually or choose them lightly.

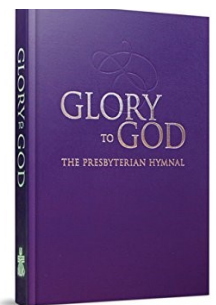

After Hymn Sing Sunday is over, we will continue worshiping with the hymns that we have grown to love, but, with new hymnals in hand, we will also be learning the hymns of a new generation. That sounds great to me! New treasures are waiting. Those of you who know me well know that I would sing all day if I could! (By the way, if you would like to know me better, we would love for you to join us in choir: Wednesdays, 6:00–7:30 in the new downstairs choir room.)

July 7th you will get one last chance to vote for YOUR favorite hymn! Don't be caught napping. Vote for your favorites. Then, on Hymn Sing Sunday, sing like no one is watching! Make a joyful noise unto the Lord! Come into his presence with singing! Also, enjoy a special treat as dulcimers join us in worship as well. Come ready to share a smile and participate in a meaningful worship experience.

Educational Wing Open House

We will be having a dedication during church and an open house following church on Sunday, July 14th. Members of the Renovation Team will be giving tours and light refreshments will be served. Stay and help us celebrate this exciting time for our congregation.

CHRISTIAN SERVICE NEWS

The Christian Service Committee has sent \$500 to the Simpson Co. Schools Backpack Program, and \$500 to the Boys & Girls Club from funds earned at the Annual Bean Soup Luncheon. We also sent \$1,000 to Presbyterian Disaster Relief Assistance from funds raised from last year's Yard Sale.

The Annual Yard Sale has been scheduled for 2020. Flooding in the basement caused loss of items and "old faithful" workers will be unavailable this year. Save your stuff (basement water problem is fixed), and get ready for a great sale next year!

Youth Sunday School

- The middle/high school class is still meeting for Sunday School each Sunday at 9:45 a.m.
- The Elementary Sunday school class has not been meeting this summer, but we are making plans for something new and exciting for July and August. Students going into grades K-5 this fall will be meeting the 1st and 3rd Sundays. On the first Sunday, the children will have Sunday School immediately following the Children's Sermon. On the 3rd Sunday, the class will meet at 9:45 a.m. in our newly renovated upstairs classroom. Parents of these students will be contacted and sent a letter outlining our summer plans. Hopefully this will keep our kids engaged during the summer months. We currently have NO elementary aged students from the congregation that attend Sunday School on a regular basis and we are hoping to meet their needs with an alternative plan.

Reminder-Candice is on vacation from July 1st-July 4th.

Sign ups for the Summer Feeding Program are in the back of the Sanctuary.

Volunteers for July are still needed!

What is the Summer Feeding Program?

Participants from FPC pick up pre-made lunches at the local middle school and then transport and hand out lunches and milks at three locations in Franklin. This effort helps to ensure that children in our local community continue to receive nourishment when school is not in session.

For more detailed information about Summer Feeding, please contact volunteer coordinator, Frances Hain.
